

Technical drawing of a road cross-section. The drawing shows a parking area on the left, labeled "parcheggio interno al lotto". A vertical wall or barrier separates the parking area from the road. To the right of the wall is a drainage ditch, labeled "cunetta per smaltimento acque piovane". The road surface is on the right, labeled "strada Provinciale". Dimensions are indicated: 100 for the height of the wall, 70 for the width of the ditch, and 120 for the width of the parking area. The drawing also shows a dashed line representing the center of the road and a series of small triangles representing the road surface texture.
