

This architectural drawing shows the elevation of a house. The main structure has a gabled roof with a textured pattern representing tiles. To the left, there is a lower section with a flat roof. The main house has a single square window on the left and two vertical rectangular windows on the right. A smaller gabled structure is visible behind the main roofline. The drawing is a line sketch with some areas filled with a cross-hatch pattern.

This diagram shows the orthographic projection of a 3D object. The front view (top) is a rectangle with a triangular cutout on the right side. The top view (bottom) is a rectangle with a triangular cutout on the left side. The side view (left) is a rectangle with a triangular cutout on the right side. The object is a rectangular block with a triangular cutout on the right side, viewed from the front, top, and left.

Technical drawing of a house elevation. The drawing shows a house with a gabled roof and a small porch on the left. The dimensions are as follows:

- Overall height: 3,45
- Height of the porch: 2,65
- Height of the porch roof: 2,35
- Width of the porch: 2,75
- Height of the main house: 3,05
- Width of the main house: 3,05
