STATO MODIFICATO

The diagram is a floor plan of a house. A pink rectangle highlights a bathroom area at the bottom center. The dimensions of this area are: 1.70 (width), 1.30 (depth), and 1.50 (width of the toilet area). The label 'W.C.' is placed next to the 1.50 dimension. The overall width of the house is 3.90, and the overall depth is 4.50. The house is labeled 'B' on the left and 'A' at the bottom. The text 'Suz.' is written above the house and below the overall width dimension. The text 'H' is written above and below the overall width dimension. The text 'Suz.' is also written above the overall depth dimension. The text 'H' is written above the overall depth dimension. The text 'Suz.' is written above the overall width dimension. The text 'H' is written above the overall depth dimension.

VANO MQ 16
FINEST. MQ 2 = 1/8

Architectural drawing of a building facade. A rectangular area is highlighted with a thick magenta border. Inside this area, there is a cross-hatched square and a smaller rectangle. Dimensions are indicated: a horizontal dimension of 2.50 and a vertical dimension of 0.80. The drawing includes various architectural elements like windows, doors, and a balcony, with some areas shaded in light blue or cross-hatched.

Diagram B shows a line drawing of a building with a gabled roof. A red rectangle highlights a section of the chimney on the right side of the building.
